EUROPEAN BELLIGERENT BUSY ON BORDER OF UNITED STATES

BRIDGE CONNECTING U.S. WITH CANADA BLOWN UP; GERMAN OFFICER HELD

VANCEBORO, MAINE, FEB. 2.—THE STEEL BRIDGE SPANNING THE ST. CROIX RIVER FROM VANCEBORO, MAINE, TO M'ADAM JUNCTION, NEW BRUNSWICK, AN IMPORTANT LINK IN THE CANADIAN PACIFIC RAILWAY, OVER WHICH MOST OF THE WAR SHIPMENTS OF FOOD AND HORSES HAVE BEEN SENT TO ST. JOHN, WAS BLOWN UP AT ONE O'CLOCK THIS MORNING.

IT IS REPORTED THAT A GERMAN OFFICER NAMED HORN WAS ARRESTED AND THAT HE PRACTICALLY ADMITTED HIS GUILT.

THE DETONATION OF THE EXPLOSION ROCKED MANY HOUSES IN VANCEBORO, SHATTERING MANY WINDOWS AND WRECKING THREE STONE PIERS WHICH SUPPORTED THE EASTERN END OF THE BRIDGE.

AN INTERNATIONAL INVESTIGATION PROBABLY WILL FOLLOW.

NO FOOD SHIPMENTS TO ENEMIES OF ENGLAND

WASHINGTON, FEB. 2.—THE STATE DEPARTMENT WAS NOTIFIED TODAY THAT FOOD STUFFS OF ANY KIND DESTINED TO GERMANY, AUSTRIA OR TURKEY WILL BE REGARDED BY THE BRITISH GOVERNMENT AS CONTRABAND OF WAR.

WILSON MAY CONSENT TO AMENDMENT.

WASHINGTON, Feb. 2.—It was intimated today, after conferences at the White House with senate leaders, members of the state department and diplomats, that the president is willing to have the shipping bill amended, provided that the purpose of the bill remains unaltered. The president is confident the bill will pass.

CHAPTER VISITED BY STATE REGENT

MRS. G. C. FRISSELL, OF MIAMI, ADDRESSES ABIGAIL BARTHOLOMEW CHAPTER, D. A. R., AT FEBRUARY MEETING.

The February meeting of the Abigail Bartholomew Chapter of the Daughters of the American Revolution was held Monday afternoon at the pleasant home of Mrs. J. D. Maley, Silver Beach avenue, Daytona Beach. The gathering was of especial interest because of the visit of the state regent, Mrs. G. C. Frissell, of Miami. It was, indeed, a pleasure to listen to her words of greeting and counsel, and to meet personally this efficient presiding officer.

A most interesting paper, "The Courtship of George Washington," was contributed by Mrs. Thorp.

The topic, "Investigation of Schools for the Mountain Whites," was in charge of Mrs. Stoeber. Mrs. Gardiner and Mrs. Chamberlin added interesting facts on the subject. Misses Martyn and Willaume supplied the music.

There was a delightful time of social intercourse, during which refreshing dainties were served and the members had opportunity to meet the visiting Daughters.

In celebration of Lincoln's birthday, February 12th, the chapter has received an invitation from Mrs. and Miss Thorp, Silver Beach, 2:30 p. m.

Mrs. John Cantwell and little daughter, Catherine, of St. Louis, Mo., are the guests of Mr. and Mrs. E. H. Armstrong, of Bungalow Park.

JACKSONVILLE MAN DIES FROM WOUNDS SELF-INFLICTED

SECRETARY OF TRADE BODY SHOOTS HIMSELF WHILE TEMPORARILY DERANGED — RELATIVE LIVES IN DAYTONA.

JACKSONVILLE, Feb. 2. — W. N. Conoley, secretary of the Jacksonville board of trade died yesterday afternoon as the result of self-inflicted wounds earlier in the day. It was thought the act was committed during a mental aberration brought on by a serious case of insomnia.

Mr. Conoley was an uncle by marriage of Mrs. M. G. Rowe, of Daytona.

DR. GEORGE R. STUART GREETED BY LARGE CROWD

Almost a full house greeted Dr. George R. Stuart, the Anti-Saloon League speaker, at the New Daytona theater Monday evening, to hear his address on the prohibition.

Dr. Stuart was introduced by Rev. C. W. Crooke, of Jacksonville, state superintendent of the Anti-Saloon League of Florida, and gave an exceedingly interesting address which was thoroughly enjoyed by the large audience as was evidenced by the frequent applause.

The address dealt with the object and work of the league and included many interesting statistics. During the evening a collection of the campaign now in progress in this state, and a number of signatures were obtained for the petition to be presented to the legislature.

ANOTHER GREAT BATTLE NEAR LOWICZ; DECISIVE DEFEAT FOR OTTOMANS

PETROGRAD, FEB. 2.—ANOTHER GREAT BATTLE HAS DEVELOPED EAST OF LOWICZ, WHERE FURIOUS ATTACKS AND COUNTER ATTACKS HAVE BEEN RAGING FOR THREE DAYS.

SUNDAY THE RUSSIANS NEAR BOLIMOW WERE DRIVEN FROM THEIR FIRST LINE OF TRENCHES, BUT LATER PARTIALLY REGAINED THEM. IN THIS CONTEST THE GERMAN LOSSES WERE TERRIFIC.

THE GERMANS ARE TRYING TO LAUNCH ANOTHER DRIVE TOWARD WARSAW, FOR THE PURPOSE OF DIVERTING THE RUSSIANS FROM THEIR ADVANCE INTO EAST PRUSSIA.

PETROGRAD, FEB. 2.—IN A DECISIVE BATTLE WITH THE RUSSIANS IN THE CAUCASUS 70,000 TURKS WERE KILLED, WOUNDED OR CAPTURED. THE BATTLE ENDED IN THE COMPLETE ROUT OF THE OTTOMAN FORCES.

BLIZZARD STILL SWEEPS MIDDLE WEST STATES

CHICAGO, FEB. 2.—THE WEST AND NORTHWEST ARE STILL IN THE GRIP OF A FIERCE BLIZZARD TODAY. MANY TRAINS ARE BLOCKADED BY SNOW AND THE LOSS OF LIFE HAS BEEN CONSIDERABLE. SIX ARE DEAD IN CHICAGO FROM THE COLD. THERE IS OVER A FOOT OF SNOW IN KANSAS AND NEBRASKA, AND IT IS PILING HIGH IN DRIFTS. SEVERE FLOODS ARE THREATENING THE OHIO VALLEY.

CLEVELAND, O., FEB. 2.—THIS CITY IS TODAY THE CENTER OF A VERY SEVERE SLEET AND SNOW STORM WHICH IS SWEEPING OHIO AND ADJACENT STATES. WIRE AND RAILROAD COMMUNICATION IS GREATLY HAMPERED.

NEW YORK, Feb. 2.—A BLINDING SLEET STORM TODAY HAS ALMOST PARALYZED RAIL AND WIRE TRAFFIC. A NUMBER OF MINOR ACCIDENTS HAVE OCCURRED.

ALSATIAN TOWNS BOMBARDED.

BERLIN, Feb. 2.—A dispatch from Strassburg says French aeroplanes bombarded Mulhausen and Reichweiler, in upper Alsace, doing a great deal of damage. The airship escaped.

DREDGE AGAIN AT WORK ON

SOUTH BEACH STREET FILL
The new sea wall being erected on South Beach street for the fill to widen the street south of Live Oak avenue was completed Saturday with the deposition of the cap, which will be in place after the fill is completed. Fred Smith, who has been on a business trip to points down the coast for a few days, returned Monday and resumed operations with the dredge, but it will probably take ten days more to do the necessary dredging for the fill.

"NOTHING TO REPORT"

Written Especially for the Daily News

By DR. CHARLES FREDERIC GOSS

Author "Redemption of David Corson"

How tired we get of that phrase in our bulletins from the seat of war, "There is nothing to report!"

What we want is a great event—something colossal. At last it comes! A fortress is pulverized; a fleet is sunk; an army is annihilated and we think the end is near. But there follows another period of quiescence! Once more we read, and read again, that maddening sentence, "There is nothing to report," and, almost learn to hate the days and hours when there is "nothing doing."

But are they so valueless? Let us see. For three long weeks the mother bird has brooded the eggs in the nest, while her mate awaits her morning bulletins with wild impatience. "Any news?" he screams from his nearby perch at the first red ray from the morning sun.

"Nothing to report," the tranquil mother chirps. But all the while the wonderful miracle is slowly being wrought.

This is the period of incubation! Underneath that feathered breast processes more wonderful than any words can tell are slowly taking place. At last, the fateful day of revelation comes. Those delicate shells have burst! Strange sounds are heard. Mysterious bills appear among the feathers of the mother's wings and bosom. "Nothing to report?" Oh, everything worth while! and from the

topmost branch of the tree the father bird proclaims the miracle to the astonished world.

Let no man despise the days nor the hours, when there is "nothing to report." They are, indeed, the time of incubation and gestation. Over there in Europe, the terrific energies of Nature are silently but irresistibly at work, and, before long, the day of revelation will arrive. Those armies, stuck in the mud of Flanders, or half buried in the snows of Poland, and, above all, those fleets an anchor in the northern sea, will clash like thunder clouds and the world be split asunder! And then, after another and another period of incubation, please God, a whole NEW ORDER!

So, also, goes it in the individual life of man! How dull, how commonplace, how even unworthy seem those happenings which make up the "daily round!" The days, the weeks, the months, the years go creeping by in dull monotony. So little there is to report that we despise them. And then—a birth, a death, a marriage, a divorce, a great success or a terrible failure explodes beneath our feet and our world is in ruins or a new one springs to being.

Be patient a little longer! There is always something doing, out of sight. The wheels revolve unceasingly, the shuttle is darting back and forth in the loom, forever and forever.

AUSTRALIAN HUSTLE IS DEMONSTRATED

PARIS, Feb. 2.—American hustle
has "nothing on" the Australian varie-
ty. One day a train stopped near the
Golf Hotel, a red, rambling building
on the top of the northern cliffs of
Wimereux and from it descended 120
Australian men and women. Twelve
hours later it had been converted in-
to the Australian Voluntary hospital
and 147 wounded soldiers were being
treated.

Within half a day the hotel had
been cleared, cleaned, fitted and
furnished, from the first bedstead to
the last towel. It would ordinarily
have taken a week.

What the Australians lacked they
made or invented. There was of
course no operating room. A room
having been decided upon as suitable
for that purpose, there were no work-
men to transform it. Three women
nurses set to. The scraped every
inch of paper off the walls at a terrific
rate and then the tallest mounted an
improvised scaffold and manipulated
the whitewash brush.

A case for the surgical instruments
was improvised from a glass front
exhibition case for chocolates which
had stood in the hotel lobby. It was
the spirit of the pioneer.

In the first seven days of the operat-
ing room's existence twenty-nine
serious operations were performed
there.

Before the end of the first twelve
hours the X-ray apparatus was in-
stalled and working. Herschel Har-
ris, chief X-ray man, invented a sim-
ple apparatus which proved of great
value in examining X-ray negatives.
It is a box one side of which consists
of a ground glass screen illuminated

from within by an electric lamp. This
can be brought right up to the side
of the operating table so that the
surgeon can refer to it as he works.

The staff which numbers 120, in-
cluding 36 nursing sisters, is not ac-
commodated in a building apart, so
that when off duty they do not have
to be in the atmosphere of suffering
and death.

In the golf clubhouse there is a
bacteriological laboratory, for there
is nothing which this wonderfully
equipped hospital lacks. Such a
laboratory is almost indispensable to
a "war hospital" for testing such
germs as those of tetanus, gangrene,
enteric, the latter being one of the
most important diseases to diagnose.

ACTOR'S BELOVED BAKED BEANS RUNNING SHORT

NEW YORK, Feb. 2.—Boston would
be in a terrible plight if it faced a
situation like New York's. A bean
famine of the "Boston-baked" variety
is threatened here, according to the
big dealers, who attribute the short-
age to the European war, and who
have grave fears for the further health
and happiness of all theatrical folk.
Already the local product is bringing
\$1 more per bushel, and in the face
of the rising market owners say their
crops have been contracted for by
foreign countries. It has been notice-
able for some time that orders of
"ham and—" in the restaurants have
been short of the "and," and much to
the chagrin of the regular patrons of
these places.

An amended franchise and contract was entered into with Michael Sholtz for the construction and maintenance of a toll bridge across the St. Johns river at Becks Ferry, the charges being made to conform with the franchise granted by Seminole county.

"The Goose Girl" which is to be the offering at the Crystal theater today is entirely different in atmosphere and surroundings from any of the other productions offered by the Jesse L. Countless audiences are bound to acclaim with joy the "absolute difference" of this film.

COBURN'S MINSTRELS TODAY - TOMMORROW

J. A. Coburn's Greater minstrels is the attraction at the New Daytona today and tomorrow. Regarding the Coburn show the Ft. Pierce News has the following to say:

"Barely has there been a cleaner and better entertainment given in Fort Pierce than that presented by Coburn's Minstrels at the Crystal theater last Friday night.

"The house was crowded and the large audience proved a most enthusiastic one, nearly every number being encored from one to four times.

"Mr. Coburn, who is an old-time minstrel manager, and also a well-known stock farmer in Ohio, where he spends his summers, has gathered around him this season an aggregation of talent that is a credit to his discernment and managerial ability.

"Charley Gano and Nick Glyn are two of the funniest black face comedians on the stage today and they kept the house in an uproar every minute they were on the stage. To look at Gano is to laugh, and Glyn is not far behind. They had many new

jokes and the way they told them was the best part of them.

"The soloists were all good and the quartet was one of the best ever heard here. The songs were all selected and the voices were well blended. The scenic features were very attractive and in fact the whole show was splendid and Coburn will always receive a warm welcome and a full house in Fort Pierce."

The Mills Transfer company headquarters have been removed from the Mills barber shop to the A. E. Donnelly real estate office a block further north on Beach street.

**YOUNG COUPLE WEDDED IN
BAPTIST CHURCH PARSONAGE**
Miss Mildred Odum and Wade H. Reed were united in marriage at about 9:00 o'clock Monday evening, the ceremony being performed by Rev. Holmes S. Rightmire, pastor of the First Baptist church, in the parsonage adjoining the church on North Palmetto avenue.

The bride is a daughter of Mr. and Mrs. J. L. Odum of Daytona Beach, and the groom, formerly of Tampa, is making Daytona his home. They have many friends in this city and vicinity to wish them happiness in their married life.

PAIR OF PILFERERS TOOK PARKER'S WAD

HOTEL EMPLOYEES TRIED TO GET
AWAY WITH EXPRESSMAN'S
ROLL, BUT LANDED IN JAIL IN-
STEAD.

When H. O. Parker, an employee of the Southern Express company's local office, left the Poinsettia hotel to go to work Monday morning, he neglected to remove about \$40 in cash from one of the pockets of a pair of trousers hanging in his room. When he returned to the hotel at noon and searched the trousers for his money, it was gone!

Parker did not know who had taken his roll, but suspected two young men who had been working at the Poinsettia. Heavy hearted, the victim of somebody's cupidity returned to the express office after dinner and went to work again, making his usual trip to the railway station to meet north-bound train No. 20, due here at 3:45. The suspected young men were hanging around the station, and Parker kept a watchful eye upon their every

movement. When the train pulled in the men boarded it. Seeing this, the expressman's suspicions were aroused to a high pitch. He confided in Agent R. N. Evernden, who advised him to "go after" his money. By this time the train was moving away, but Parker attracted the attention of Conductor Jackson, who pulled the air signal to his engine and the locomotive stopped. Parker went aboard, found the men and demanded his forty. The money was forthcoming almost instantly.

The three men got off the car, Parker returning to the station and the self-admitted rogues walking north up the railroad track. Officers Milton and Humphreys were also at the station, and when they learned that Parker's sympathetic nature had caused him to allow two men guilty of a grave offense to walk away free, their astonishment was almost as great as their indignation. Jumping into Milton's auto, the officers drove rapidly to the north side of town, intercepting the fugitives near Second avenue and the railroad, in Midway. They gave their names as Johnny Wick and Joseph Boyle, and affected surprise at being arrested after having surrendered to the owner the money they had taken from him. The officers saw the mat-

SHOT THAT GRAZED SHOULDER REVEALS GIRL'S IDENTITY

When Torpeto, the gypsy, stole the little Princess at the order of the Chancellor of Ehrenstein he was pursued by men who fired many shots. They did not hit the abductor, but one of the shots grazed the shoulder of the child. Fifteen years passed, and that same child, by a strange series of circumstances, finds herself in the royal palace, under arrest because her lover has slain the count who insulted her. And in that same room is the gypsy, who, in earlier years, did the bidding of the chancellor. Suddenly the gypsy catches sight of the mark on the girl's shoulder—and then he confesses that this little Goose Girl is really the heir to the throne and all the glories of royalty. These are just a few of the events that take place in Jesse L. Lasky's production of "The Goose Girl," founded on Harold McGrath's novel of the same name, in which Marguerite Clark appears as the absolutely adorable star. This attraction is announced as the offering at the Crystal theater this afternoon and evening, and should be one of the photo-dramatic treats of the season.

NEWS OF THE HOTELS

Mrs. R. E. Rose, wife of State Chemist Rose, is visiting her sister-in-law at the Hotel Hamilton.

Miss Standley, Miss Murray, A. B. Meffert and Phil Robinson of Ocala, were members of a pleasant touring party, which stopped at Schmidt's Sunday.

Howard Bonfield, head of the Bonfield Information Bureau, is stopping at the Howard hotel, while looking after the interests of his bureau in Daytona.

A DeLand automobile party registered at Schmidt's on Sunday, Walter A. Falk, Mrs. A. Falk, Mrs. Will Reed and Mrs. J. V. Whitstone making the trip, in order to have an opportunity to look over "the prettiest winter resort in the world."

Mr. and Mrs. Almon Judd, of Waterbury, Ct., are expected at the Ridgewood at an early date, and will spend a good share of the winter at that hotel. Mr. Judd is the originator of the famous "Ideal Tour," known to the traveling public throughout the United States.

Mrs. Fred Meyers and son, of Brooklyn, are late arrivals at Schmidt's. This is Mrs. Meyers' tenth season in Daytona, and her many acquaintances will learn of her arrival with pleasure. Mrs. Meyers is accompanied by Mrs. Holthausen, also of Brooklyn, who will likewise spend the season at Schmidt's.

Sunday evening's concert at the Howard was thoroughly enjoyed by the many guests now stopping at that hotel. The acquisition of the Crystal orchestra for Sunday evening concerts has, indeed, been a pleasing and profitable step, and one greatly enjoyed by the guests.

Mr. and Mrs. Charles Lee and daughters, of New York, who have been guests of the Despland for several weeks, left Monday morning on an automobile trip to Tampa, expecting to tour other west coast cities for a week or so before returning to the Despland for the remainder of the season.

Mrs. Platt Stone and maid, Davenport Platt, and chauffeur, of Baltimore, were members of a touring party which spent Sunday and a part of Monday at the Ridgewood. They reported the roads between here and St. Augustine, had in spots, but were evidently not as much bothered by road conditions as various other touring parties.

"KELLY POOL" FAVORITE GAME IN CITY OF MIAMI

Messrs. G. H. Faatz and G. C. Dickey, the originators of the celebrated game of "Kelly Pool," whose mission south, it was said, was to introduce this most fascinating game, have returned to the Clarendon for an indefinite stay. The men were informed, much to their chagrin, that the game had been played in Miami long before the mosquitoes made their first appearance there.

DELICIOUS SUMMER DRINK BEING INTRODUCED HERE

Equinox ginger champagne is a celebrated Vermont beverage being introduced for the first time in Florida by Ranslow, the Clarendon druggist. It is a delicious summer drink with Equinox water as a basis, and is, of course, non-alcoholic.

FOR RELIEF OF FRENCH SOLDIERS

LAFAYETTE FUND, REPRESENT-
ED BY MISS MARGARET RHODES, EXHIBITS SOLDIER'S KIT AT HOTEL CLARENDON.

The Lafayette Fund, of which Miss Margaret Rhodes, of Daytona, is the Volusia county member of the Florida State committee, has placed on exhibition at Hotel Clarendon, in Seabreeze, and at the Hotel Despland, in Daytona, what are known as a soldier's kits of American made goods.

A kit consists of fleeced-lined shirt and drawers, woolen abdominal belt, pair woolen socks, heavy woolen muffler, gloves, handkerchief, cake soap, pipe, pencil and various other small articles, all of which are enclosed in a canvas bag. The entire assortment sells for \$2.00 and everyone who buys one is requested to leave their name and address on a card with the hotel management so that the French soldier at the front who is fortunate enough to receive one of these kits will find your name and address contained therein.

The Lafayette Fund has for its aim the relief of French soldiers in the trenches at the front, and a great good is being accomplished by the various committees which have been organized in nearly every state in the union. Through the purchase of the Lafayette kit the good that is accomplished works two ways. In the first instance, the articles of wearing apparel all are made by

women residents in New York city, who receive compensation for their labor. On the other hand, the soldiers who are fighting for the cause must be properly clothed in order to alleviate their suffering from cold and exposure while on duty in the trenches.

Miss Rhodes, whose address is 339 South Beach street, Daytona, will gladly accept any and all subscriptions to the Lafayette Fund, agreeing to forward the names and addresses of such subscribers to the secretary in New York city.

A very enjoyable breakfast dinner for ten guests was given at the E. E. C. A. A. clubhouse Saturday evening by Mr. and Mrs. A. Schlessinger, of Milwaukee, Wis., who are occupying one of the Clarendon hotel cottages at Seabreeze.

Strictly Up to Date.

Seven-year-old Peggy was drawing the picture of a house and finally announced it completed. "But where are the chimneys?" she was asked. Peggy's nose told for a moment as she noticed this important omission, but she quickly recovered her presence of mind. "Oh, this kind of a house doesn't need chimneys," she answered calmly. "It is heated by radiators."

Every Day Resolve.

I will this day try to live a simple, sincere and serious life; repelling promptly every thought of discontent, anxiety, discouragement, impatience and self seeking; cultivating cheerfulness, magnanimity, charity and the habit of holy silence; exercising economy in expenditure, cordiality in conversation, diligence in a pointed service, fidelity to every trust and a childlike trust in God.—Father Vincent.

WILL SPEND BALANCE OF SEASON AT CLARENDON

Col. and Mrs. S. C. Lewis and Mrs. L. Hayes, of Franklin, Pa., are among recent arrivals at Hotel Clarendon, who have accommodations for the balance of the season. The party has spent some time at the Royal Palm, Miami, but like many others, prefer Seabreeze and the big fire proof structure to all other Florida resorts.

HEAD OF BIG ST. LOUIS FIRM AT HOTEL CLARENDON

E. W. Grove, head of the Paris Medicine Company, St. Louis, with his private secretary, W. V. Curran, are season guests at Hotel Clarendon, having taken up reservations there yesterday.

MONDAY'S LIST OF ARRIVALS AT CLARENDON

DINNER PARTY IN LOTUS GRILL SUNDAY NIGHT

Mr. and Mrs. Uhldeine gave a dinner party to friends in the Lotus grill on Sunday evening. There were eight in the party composed of Clarendon guests and cottagers.

Food From the Sea.

Nearly 500,000 oysters were landed in England and Wales last year, according to the annual report on sea fisheries, while over thirty-three million oysters, between 4 1/2 and seven hundred thousand lobsters, and some twenty-six thousand tons of other shell-fish were shipped.

FIRE ALARM TELEGRAPH BOX FOR DEMONSTRATION PURPOSES

Chief W. E. French has installed at the fire station for demonstration purposes a fire alarm telegraph box sent to him for that purpose by the Loper Fire Alarm company, of Stonington, Conn. The inward mechanism of the box looks somewhat complicated but that part with which the public has to deal is extremely simple and easy to manipulate. The box is numbered "21," which applies to the district on Beach street south of Orange avenue, and Chief French hopes later to have the box located at the corner of Beach street and Cottage avenue. He would like very much to see this system adopted by the city, believing it would prove much more satisfactory than the present method of telephoning fire alarms.

Ranson's Prepared Humus Soil Builder and Plant Food

In these strenuous days of intensive farming—getting an acre is out of it—give soil building some thought. Commercial fertilizers stimulate vegetable life, but it requires humus to nourish and strengthen the land. Ranson's Prepared Humus is also remarkably rich in nitrogen and other elements essential to plant growth.

Ranson's Prepared Humus is wonderfully beneficial when applied freely to lawns, gardens, groves, flower beds, golf links, trees, shrubbery and potted plants. Costs only one-third to one-half as much as commercial fertilizers. Humus is ten times stronger and lasts ten times longer than barnyard manure. Humus is easily handled, may be applied at any time; is odorless and sanitary. Manure is disagreeable, carries weed seeds, and is a favorite breeding place for flies.

No Need to Plant Legumes and Wait for Vines to Rot

Your sandy soil is crying for food. Give it a liberal supply of Ranson's Prepared Humus. One customer took a ton and wrote his name with it on the lawn. In a short time the letters stood out plainly above the rest of the grass. Read the testimonial.

RAINFALL OF MONDAY

NIGHT WAS 1.53 INCHES

During the electrical storm of Mon-
day night there was a heavy downpour
of rain, amounting to 1.53 inches, ac-
cording to the record of J. G. Brown.
This is making up for the shortage of
rain last summer and also demon-
strating the necessity for drainage in
the hammock lands.

**CHAMPIONSHIP SKATING
CONTEST AT ARCADE RINK**

Tomorrow night will be one of spe-
cial interest at the Arcade as the se-
cond roller skating race for the cham-
pionship of Volusia county will take
place between Charles Cone of this
city and Walter Auger of DeLand.
The trophy, a handsome silver cup,
will be awarded for the best two out
of three races and as Auger won the
first race of the series at Blue Lake
Park, DeLand, last week, it is only
necessary for him to beat Cone to-
morrow evening to secure the cham-
pionship. On the other hand, should
the local favorite win in the race to-
morrow evening, it will be necessary
to run the deciding race at Blue Lake
Park some time in the future.

A number of other races have been
arranged for the evening and "White

Eagle," the Pawnee Indian, who is
filling a three-days' engagement at
the Arcade, will give a performance
of fancy rope throwing and the tying
of any possible knot. He will also do
some war and snake dances and sing
some Indian folk songs.

The fact that the ground hog saw
his own shadow staring him in the
face when he came out of his hole
this morning did not deter the Wash-
ington weather sharp from predicting
that it will be generally fair in Florida
tonight and Wednesday, and slightly
cooler on the peninsula tonight. Moder-
ate winds will blow from the south-
west and west. In the northwest por-
tion of the state there will be light
frost tonight.

**FLORIDA ASSOCIATION
OF EMPIRE STATERS**

HUNDRED NEW YORKERS MEET

AND FORM PERMANENT OR-
GANIZATION -- SELECTION OF
OFFICERS AND COMMITTEES.

Nearly one hundred loyal and en-
thusiastic New Yorkers got together
Monday at the Nautilus and started
off the New York-Florida association
with a boom.

W. C. Short was made president and
George Johnson, secretary.

An entertainment committee was
elected, consisting of L. R. Brooks,
Miss Howard and Miss Ayres.

A resolutions and by-laws committee
was elected, consisting of Miss Wel-
ber, Miss Edna and Mr. Short.

A considerable number of New
Yorkers commenced gathering in the
morning, but as there were not enough
for organization the meeting was not
held until afternoon when there was
an attendance representative of
nearly every county in the state.

The party had a group picture
taken and enjoyed a pleasant after-
noon at the baths and dance pavilion.

It is planned to have a number of
picnics, parties and other gatherings
of New Yorkers during the season.
